

CAT. N° 3 100 45

LINE INTERACTIVE UPS - RACK/TOWER - 1000 VA - 900 W

Pack (number of units)	1
Volume (dm ³)	67,16
Weight (g)	20 900,00

Product characteristics
UPS with IEC sockets

- The stated backup time in minutes is estimated and may vary according to the load characteristics, operating conditions and environment
- Nominal power: : 1000 VA
- Active power: : 900 W
- Backup time: : 10 min
- No. of sockets IEC (10 A/16 A): : 8 / -
- Communication ports: : USB-RS232

General characteristics
Keor Line RT - Line interactive UPS (rack/tower) - single phase VI-SS

- Sinusoidal output
- Convertible display for tower and rack configurations
- Advanced control interface
- Remote emergency shutdown
- Microprocessor control
- MODEM/LAN telephone protection
- RS-232 or USB interface
- Cold start function. Protection against voltage peaks. Integrated self-diagnostics
- Intelligent battery management
- Overload and short-circuit protection. Excellent voltage regulation
