CLASSIA BTICINO

Home/Away wireless master switch Classia with Netatmo

REF. BT-RG4570CW | EAN. 8005543651551

> [Visit e-catalogue](#)

Product characteristics

- Predefined Home/Away scenarios which can be customised from the Home + Control app. Manage them with a single press on your wireless master switch
- LED indicator with low battery warning
- Supplied with a replaceable battery with an 8-year life
- 2.4 GHz radio technology
- Black

Recommendation / Restriction

- To add your Home/Away wireless master switch to your connected installation, you first need to purchase and install a Classia with Netatmo connected starter pack, as well as one or more Classia with Netatmo connected switches, power outlets or lighting micromodules

The product's benefits

Installation

- Extra-slim, the Home/Away wireless master switch is attached to a wall with the adhesive pads provided. It can therefore be repositioned. Can also be screwed onto a flush-mounting box

Usage

- The Home/Away wireless master switch complements the one included in the Classia with Netatmo connected starter pack. You can therefore place each of these switches at different entrances to your home
