- Equipped with rear cable guide to hold the cables.
- 19" panel - 1 U.
- Supplied with coloured labels, white yellow, blue and red.
- The panel ensure automatic earthing of each connector.

Recommendation / Restriction

- Compliant with ISO/IEC 11801 edition 3.0 (2017) and EIA/TIA 568 C2-1 standards

The product's benefits

Installation

- Front-panel and fast-snap accessibility of each individual connector provide ease and reliability for installation and maintenance. Universal and secured mounting on any cabinet or enclosure through new generation quick-fix anchorage. Automatic cassette removal by a simple button press. Hands-free cassette support during installation or maintenance while in the extracted position.

Usage

- Daily user maintenance is rendered easy through the move-add-change management of each cassette and individual connector.

Avantages

- Save time at both installation and in daily maintenance by taking advantage of the screwless mounting and the automatic removal of each cassette.
