Description

This 19 inch patch panel has a new generation quick-fix mechanism for automatic screwless mounting on the cabinets uprights. The automatic removal of each cassette is possible using a push button.

Product characteristics

- Equipped with 4 extractable cassettes.
- Equipped with rear cable guide to hold the cables.
- 19" panel 1 U.
- Supplied with coloured labels, white yellow, blue and red.

Recommendation / Restriction

• Compliant with ISO/IEC 11801 edition 3.0 (2017) and EIA/TIA 568 C2-1 standards

The product's benefits

Installation

• Front-panel and fast-snap accessibility of each individual connector provide ease and reliability for installation and maintenance. Universal and secured mounting on any cabinet or enclosure through new generation quick-fix anchorage. Automatic cassette removal by a simple button press. Hands-free cassette support during installation or maintenance while in the extracted position.

Usage

• Daily user maintenance is rendered easy through the move-add-change management of each cassette and individual connector.

Avantages

 Save time at both installation and in daily maintenance by taking advantage of the screwless mounting and the automatic removal of each cassette.
