Description

This 10 inch patch panel is ideal for small-scale commercial applications where there is a limited number of IT points and a 10" cabinet is sufficient. It accepts up to 12 RJ45 connectors, from Cat. 5e to Cat. 6A.

Product characteristics

- 10" panel - 1 U.
- Automatic earth connection
- Supplied with coloured labels (white yellow, blue and red).

The product's benefits

Installation

- Ease and reliability for installation and maintenance thanks to fast-snap accessibility of each individual connector. Universal and secured mounting on any 10" cabinet through new generation quick-fix anchorage.

Usage

- Daily user maintenance is rendered easy through the move-add-change management of each individual connector.

Advantages

- Save time at both installation and in daily maintenance by taking advantage of the screwless mounting.
