## VIKING 3 LEGRAND

Bridging combs for 10 blocks with 6mm pitch - for screw and spring terminal blocks

REF. 037503 | EAN. 3245060375034

> [Visit e-catalogue](#)

## Product characteristics

- For 10 blocks with 6mm pitch
- Isolated and breakable to length for all the configurations.
- Consecutive or alternating connection

## Recommendation / Restriction

- Installation recommended for electrical connection in industrial and tertiary cabinets and enclosures.

## The product's benefits

### Installation

- Quick installation thanks to a front mounting with automatic insertion without screw.

### Usage

- Isolated combs retain the isolation voltages of connecting terminal blocks.
