

Product sheet

GREEN UP LEGRAND

Base for mounting the Green'up Premium plastic charging stations for electric cars on the ground

REF. 059052 | EAN. 3414970955722

> [Visit e-catalogue](#)

Product characteristics

- Possibility of incorporating the protections in the base with the Plexo³ enclosures ref. 0 019 04/06/08 (4 to 8 modules). Up to 2 cabinets.
- Metallic base for a better rigidity of the whole.

The product's benefits

Installation

- 1 common item for all metal charging stations

Usage

- Simply convert a wall charging station into a stand charging station for remote installation.
