The product's benefits

Installation

- Floor box modular to compose : matchs with your needs (type of installation, number of modules, finishes), gives time for reflexion, protects the product during the progression of the work site (the installation follows the steps of the site).

Usage

- Adapts to the surrounding environment thanks to the choice possibilities of the standard lid to associate with it : plastic or Stainless steel or Brass finish.

Avantages

- A universal range available in three sizes, adapted to any kind of floor (raised floors, screed floors) and upgradable because equipped with commons wiring devices supports (a standard floor box can become a flush one without touching the electrical connexions).
- Fast installation without tool : the access unit frame clips in any kind of floor (directly in the raised floor or through one of the two backboxes in the screed floor).
