REF. 088086 | EAN. 3414971795112

> [Visit e-catalogue](#)

Product characteristics

- With 1 foam block 088088, H concrete max = 170mm
- With 2 foam blocks 088088, H concrete max = 250mm
- Composition : 4 rigid plastic extension screws

The product's benefits

Installation

- Floor box modular to compose : matchs with your needs (type of installation, number of modules, finishes), gives time for reflexion, protects the product during the progression of the work site (the installation follows the steps of the site).

Usage

- Fast and without tool adjustment to the concrete height to be poured : by manual compression of the foam blocks then by precise rotation at its corners of the plastic nuts included.

Avantages

- The reservation in the concrete is made with compressible foam blocks.
