- Compatible with AC fans up to 100W
- LED indicator with speed level indication
- Can be paired with wireless fan controls
- Radio technology 2.4GHz, using Zigbee 3.0 protocol, reliable and secure

Recommendation / Restriction

- Compatible only with AC fans

The product's benefits

Installation

- The ARTEOR with Netatmo connected fan controler is easily installed in place of an existing fan switch and requires a standard depth flush mounting box (40mm).

Usage

- Control your fan with your voice using a vocal assistant

Avantages

- Perfect aesthetic integration with the installed wiring devices
- Comprehensive user interface with separated buttons for ON/OFF and speed control. Visualisation of the speed thanks to a led indicator
