ARTEOR™ LEGRAND

Home/Away wireless master switch Arteor with Netatmo

REF. 574224 | EAN. 3414971353206

> [Visit e-catalogue](#)

## Product characteristics

- Predefined Home/Away scenarios which can be customised from the Home + Control app. Manage them with a single press on your wireless master switch
- LED indicator with low battery warning
- Supplied with a replaceable battery with an 8 - year life
- Magnesium

## Recommendation / Restriction

- To add your Home/Away wireless master switch to your connected installation, you first need to purchase and install a Arteor with Netatmo connected starter pack, as well as one or more Arteor with Netatmo connected switches, power outlets or lighting micromodules

## The product's benefits

### Installation

- Extra-slim, the Home/Away wireless master switch is attached to a wall with the adhesive pads provided. It can therefore be repositioned. Can also be screwed onto a flush-mounting box

### Usage

- The Home/Away wireless master switch complements the one included in the Arteor with Netatmo connected starter pack. You can therefore place each of these switches at different entrances to your home
