

Product sheet

ATLANTIC & MARINA LEGRAND

Modular chassis to compose uprights for Atlantic and Marina cabinets - 700x500 - plastic finish - RAL 7035

REF. 433020 | EAN. 3414971980402

> [Visit e-catalogue](#)

Product characteristics

- Depth rail adjustment, inside or outside the cabinet
- Composition of the chassis according to the customer's needs
- Compatible with Atlantic and Marina cabinets
- RAL 7035 suitable for industrial environments

The product's benefits

Installation

- Installing both modular and industrial products on the same chassis

Usage

- Mounting and cabling of the elements outside the cabinets (including terminal block)

Advantages

- Recommended for electric distribution in industrial environments without any particular constraints.
