LCS³ LEGRAND

Cord for area distribution box - Category 6 - U/UTP - RJ45/stripped - LSZH - 15 m

REF. 051758 | EAN. 3245060517588

> Visit e-catalogue

Product charateristics

- Category 6 U/UTP : for up to 1 Gigabit per second data rate, unscreened cable.
- RJ45 male plug at one end, stripped at the other end
- Low Smoke Zero Halogen materials that emit limited smoke and no halogen when exposed to high sources of heat.
- 15 meter length
- Blue

Recommendation / Restriction

- Compliant with ISO/IEC 11801 and ANSI/TIA 568 standards. Do not use as patchcord or user cord. As all consolidation point use, it may have an impact on maximum recommended permanent link and channel length to ensure high performance. Please check the datasheets.

The product's benefits

Usage

- Both workstations location change and new workstations addition can be done very quickly without significant investment. Just change the length or add a cord between the area distribution box and the RJ45 socket. No need to pull a new cable from the cabinet in the technical room up to the workstation.
