Product sheet

Arteor™ with Netatmo - Roller shutter wireless switch

REF. 574216 | EAN. 3414971353046

> **Visit e-catalogue**

Product characteristics

- Up/down/stop function
- LED indicator with low battery warning
- Supplied with a replaceable battery with an 8 - year life
- Alu

Recommendation / Restriction

- To pair your roller shutter wireless switch, you first need to purchase and install a Arteor with Netatmo connected starter pack, as well as one or more Arteor with Netatmo connected roller shutter switches

The product's benefits

Installation

- Extra-slim, the roller shutter wireless switch is attached to a wall with the adhesive pads provided. It can therefore be repositioned. Can also be screwed onto a flush-mounting box

Usage

- Pair as many connected roller shutter switches as you wish and control them all with a single press on your wireless switch
