LCS<sup>3</sup> LEGRAND

## Angled patch panel cover

REF. 033758 | EAN. 3414970870476

> [Visit e-catalogue](#)

### Product characteristics

- Fits both angled 24 and 48 connectors angled patch panel.

### The product's benefits

#### Usage

- The presence of the cover prevents hot air from behind the cabinet to mix with cooler air from the front, thus maximizing the air cooling system in place in the data center.
