LIVING NOW BTICINO

Living Now - RJ45 Socket tool-less FTP category 6 white

REF. BT-KW4279C6F | EAN. 8005543621912

[> Visit e-catalogue](#)

Product characteristics

- Supports data rates up to 1Gbit/s; FTP category 6 socket suitable for Grade 1 and Grade 2 applications, ensuring high-speed, reliable network connectivity.
- TIA 568A/B colour-coded insulation displacement contacts enable standardised, error-free cabling and facilitate rapid tool-less installation.
- Single-module design in white, with compact dimensions (22x45x41mm), optimised for flush-mounted installation in residential and commercial environments.
- Equipped with a transparent shutter and integrated dust cover to protect the connector and prevent dust accumulation, maintaining long-term performance.
- Fully compliant with ISO/IEC 11801, edition 3.0 (2017), ensuring international standards for structured cabling and network reliability.
