Description

2 gang British Standard socket 13A-250V double pole switch with
power indicator Epure brushed steel

Product characteristics

- Perfectly adapting to the spirit and use of the place, this function offers architects and decorators the means to shape, design, and model spaces
- Chrome finish
- Colors and appearances may vary from one plate to another due to their handcrafted manufacturing
- Mounted in a flush-mounted box according to your wall type and the number of functions in your installation

Recommendation / Restriction

- It is recommended to install the plates only after the wall coatings have been completely finished (paint, fabrics, etc.). Indoor use only
