- Facial recognition
- 110 - dB alarm
- Arms/disarms itself automatically
- Free storage, No subscription fees

The product's benefits

Installation

- Easy to set up: download the app then place the equipment around your home.

Usage

- Protect your home and prevent break-ins with a complete security solution

Advantages

- The Netatmo SmartAlarm System with Camera offers full protection for your home with an Indoor Camera, Indoor Siren, and Door and Window Sensors.
- Smart Door and Window Sensors can tell if someone is trying to force entry. When that happens, they send a notification to your smartphone.
- If someone breaks into your home, the Smart Indoor Camera sends a notification to your smartphone while the Smart Indoor Siren scares the intruder away with its 110-decibel alarm.
