Living Now - Duplex socket US std + 2 chargers USB A+C, 3 modules, sand, integrated support frame

REF. BT-KM4188AC | EAN. 8005543679999

> [Visit e-catalogue](#)

Product characteristics

- US standard duplex outlet 2P + E 15A, 127 V + 2 USB (1 Type A + 1 type C) charger with 5 Vd.c. voltage for fast charging of single devices up to 3,000 mA or simultaneous charging of two devices up to 1,500 mA
- To be completed with KM52 cover
- Screw terminals
- Living Now sockets are provided with contact protection ensuring greater safety at home: these protections shield from accidental electrical contacts in the absence of a plug.
- Duplex US socket 2P+T 15A, 127 V + 2 USB (1 Type A + 1 Type C) 3,1 A - 5V - 15,5W

Recommendation / Restriction

- To be equipped with a finishing cover plate

The product's benefits

Installation

- Monoblock complete product ready-to-install

Usage

- Two in One product : Power outlet, fitted with safety shutters to maximise child protection + fast charging of USB devices

Avantages

- The pre-cabling of this socket combines ease of installation and time savings during installation: no need to wire all the sockets; a single wiring is sufficient.
- Very compact product which integrates 4 functions in 3 modules
