ARTEOR™ WITH NETATMO LEGRAND

Arteor™ with Netatmo - In wall wireless light switch

REF. 574326 | EAN. 3414972024549

> [Visit e-catalogue](#)

## Product characteristics

- Quick and easy pairing with wired products (connected switch with dimmer option, connected power outlet, connected micromodule, or connected cable outlet)
- LED indicator with low battery warning
- Supplied with a replaceable battery with an 8 - year life
- Champagne

## Recommendation / Restriction

- To add your wireless light switch to your connected installation, you first need to purchase and install a Arteor with Netatmo connected starter pack, as well as one or more Arteor with Netatmo connected switches, power outlets or lighting micromodules

## The product's benefits

### Installation

- The wireless light switch can be screwed onto a flush-mounting box

### Usage

- Pair as many dimmer switches, lighting micromodules and power outlets as you wish and control them all with a single press on the wireless switch.

### Avantages

- 1 module product, very compact and easy to install.
