

Product sheet

ARTEOR™ LEGRAND

Arteor™ - BS wireless remote master switch
Home/Away - Magnesium

REF. 574656 | EAN. 3414972219969

> [Visit e-catalogue](#)

Product characteristics

- Predefined Home/Away scenarios which can be customised from the Home + Control app. Manage them with a single press on your wireless master switch
- LED indicator with low battery warning
- Supplied with a replaceable battery with an 8 - year life
- Radio technology 2.4GHz, using Zigbee 3.0 protocol, reliable and secure

Recommendation / Restriction

- To add your wireless light switch to your connected installation, you first need to purchase and install a Arteor BS with Netatmo connected starter pack, as well as one or more Arteor BS with Netatmo connected switches, power outlets or lighting micromodules

The product's benefits

Installation

- Extra-slim, the wireless light switch is attached to a wall with the adhesive pads provided. It can therefore be repositioned. Can also be screwed onto a flush-mounting box

Usage

- Pair as many dimmer switches, lighting micromodules and power outlets as you wish and control them all with a single press on the wireless switch

Avantages

- When associated to the connected starter pack, the Arteor BS with Netatmo products can be controlled manually or remotely from your smartphone or via voice control
- When installed on the wall, the wireless remote switch has the same aesthetic and thickness as all the Arteor BS with Netatmo switches
- Easy and quick association by tapping the products together
