ARTEOR™ LEGRAND

Arteor™ - BS wired curtain/roller blind 2 gang switch with neutral Magnesium

REF. 574634 | EAN. 3414972219167

> [Visit e-catalogue](#)

## Product characteristics

- Up/down/stop function
- Compatible with wired roller shutters with electronic and mechanical end stop. Not compatible with radio - controlled roller shutters
- LED indicator with locator function which can be activated in the app
- Radio technology 2.4GHz, using Zigbee 3.0 protocol, reliable and secure

## Recommendation / Restriction

- Very easy to use with multi-zone ergonomics

## The product's benefits

### Installation

- The Arteor BS with Netatmo connected curtain/roller blind switch with neutral is easily installed in place of an existing switch and requires a standard depth flush mounting box (25mm)

### Usage

- Control your lights with your voice using a vocal assistant

### Avantages

- Perfect aesthetic integration with the installed wiring devices
- You can replace the device cover at any time by changing its color or restoring any damage to the surface without changing the entire device
- Easy to clean surface thanks to the planar geometry of the switch and to the surface treatment of the plastics used
