- Ergonomic design enables quick toolless connection. A greater comfort for reduced effort.
- Light grey locking tab
- Set of 24 connectors delivered in 100% recycled cardboard packaging, without plastic film and ready to use

Recommendation / Restriction

- Conforms to standards ISO/IEC 11801 series ANSI/TIA 568 series EN 50173 series

The product's benefits

Installation

- LINKEO C keystone connector is designed to make every step of the installation and maintenance process quick and easy. Each connector can be terminated under 1 minute 10 seconds. And disconnected and re-terminated, without tools or any damage, in a matter of seconds. Connectors stay ready to use, again and again.

Usage

- The design of the connector eliminates any risk of accidental opening. Its mechanical locking clip secures the termination and transmission of data

Advantages

- The jack and the lever can be separated to ease the process of re-termination.
- 25-year warranty
