## Milestone acquisition closed

Legrand announced today the closing of the acquisition of Milestone AV Technologies LLC (“Milestone”), a frontrunner in Audio Video (AV) infrastructure and power.

The acquisition of Milestone allows Legrand to further strengthen its positions in digital infrastructure, more specifically in the high-value AV infrastructure and power segment in the United States.

Milestone’s solid positions – with over 75% of sales representing products ranked #1 in their market – round out Legrand’s existing positions under the Middle Atlantic Products brand.

Milestone is based in Eden Prairie (Minnesota) and reported sales of \$464 million in 2016. It has around 1,000 employees.

For more information on the Milestone purchase, we invite readers to consult the press release announcing the acquisition and the presentation published on June 28, 2017 – Both are available on the Group website [www.legrand.com](http://www.legrand.com).
